

Welcome to Quantum Fiber

How to place an order

Portal Ordering Directions

Getting started

1. Go to:
<http://www.centurylink.com/getgigabit>
2. Enter your address in the Street address line.
3. Click on the **Check availability** button.
4. The system may not recognize the newly enabled address.
5. If it does not recognize the address the portal will take the customer to the screen on the next slide.

Address verification

Check to see if CenturyLink Fiber Internet is available at your home.

With speeds up to 940 Mbps, now you can do more than you ever thought possible. It's more than just speed - it's new possibilities. Check to see if CenturyLink Fiber Internet is available.

Portal Ordering Directions

Address Verification

1. Enter your address and press “**update map**” button.
2. The map will update close to the new address and will place a “**pin drop**” at the intersection of Veterans Parkway and Elma G Miles Parkway, as seen on the next slide.

Address verification

Was your home recently built?

It may be too soon for your address to be available in the database. Help us find your home.

Steps

1. Re-enter your address, then click '**Update map**' to help us get close to your location.
2. Once, the map updates, drag the pin to find the exact location of your home.
3. Click '**Check availability**' to confirm service is available.

If your home was not recently built, [click here](#) to re-enter your address and try again!

* Street address	Unit / Apt
<input type="text" value="220 Sawmill Rd"/>	<input type="text"/>
* City	* State
<input type="text" value="Hinesville"/>	<input type="text" value="GA"/>
* Zip code	
<input type="text" value="31313"/>	
<input type="button" value="Update map"/>	

Portal Ordering Directions

Address Verification

- The pin **will not** be in the right spot on the map.
- Expand the view or zoom out, by rolling the wheel on your mouse.
- Click and drag the **“pin”** to the lower left of the screen
- you should be able to see OC Martin Jr Dr. in the top right corner as seen on the next slide.
- Drag that section of the map to the center.

Portal Ordering Directions

Address Entry

- Once you drag this section of the map to the center, you can *zoom in* and *double click* near where the house is located. It does not have to be precise.
- Click on the **Check availability** button, located below the map.

Your service address

220 sawmill rd
hinesville, Georgia 31313

Not your service address? [Click here](#) to correct it.

Your account information

* First name: George * Last name: McFly

* Email address: Georgemcfly@gmail.com * Mobile number: 252-269-1045

Referral code: AB85348

* I confirm that I am over the age of 18 years old

*Are you an existing CenturyLink customer?

No Yes

Please note - changes to your current CenturyLink service(s) will remove any existing bundle discounts, promotional pricing, or the Price for Life plan. If you'd like to move forward with Fiber Internet, which does not currently offer bundle discounts, agree to the terms. A customer care representative will contact you to coordinate the changes to your existing service.

I would like to receive calls and text messages about my CenturyLink services at the number provided.

I would like to receive emails about offers and marketing from CenturyLink at the email address provided.

I would like to receive calls and text messages about offers and marketing from CenturyLink at the number provided. I consent to the use of autodialers or artificial or prerecorded voice for the calls and text messages and understand consent is not a condition of purchase.

* I accept and agree to the CenturyLink High-Speed Internet Subscriber Agreement.
